I have the honour to forward herewith 5 (13) sketch plans of Rokeby Park and its surroundings, and of the office sketch plan No 2 (11) and to explain, as requested by you and taken up with the Railway Commission, that the Bramham Railway Station is the nearest to Rokeby Park, and is situated in the Township of Bramham about two miles distant from Rokeby Park, and about one mile from Bramham Village. Rokeby Park is situated on the Great North Road in a position midway between Bramham Village and Boston Spa, and is about 3 miles from each of these villages. The Great North Road runs through the Park, and the Park is bounded on the East side by the Great North Road, on the West side by the Bramham Park Estate, on the North side by the Bramham Park Estate, and on the South side by the Bramham Park Estate.
